

### Withdrawals

Because of the new measure commission each dog which has been presented to the measure commission counts as “competed”. Therefore, as of the presentation, the dog has to be officially withdrawn when he shall be taken out of the competition.

Following please find the explanation concerning this matter.

Please take note of.

#### **After the measure commission**

Before the judging of the dogs in show stance and the TSB test each participating dog has to be presented to the measure commission. In case a dog falls ill after he has been presented to the measure commission the dog has to be signed off from the competition at the Meldestelle with **an attestation of the veterinary medical examiner** or the chargeable withdrawal form which is available at the Meldestelle.

#### **After the TSB test (for working dog classes)**

In case the dog falls ill after the TSB test he has to be signed off at the Meldestelle with **an attestation of the veterinary medical examiner** or the chargeable withdrawal form which is available at the Meldestelle.

#### **Before the judgment of the dogs in movement/Call**

At this point withdrawals can only be permitted if **an attestation of the veterinary medical examiner** or the chargeable **withdrawal form** which is available at the Meldestelle is handed over **to the acting judge before the judgement of the dogs in movement starts.**

As from the time when the dog has been enqueued in the waiting line according to the polling list a withdrawal when the dog is injured or falls ill is only possible with the permission of the acting judge and/or with an attestation of the veterinary medical examiner.

**In all other cases where a dog is withdrawn without excuse, a prohibition of participation in any other event for the period of six months is imposed on this dog and the rating “not sufficient” will be awarded. With the rating “not sufficient” a breeding ban is interconnected; it becomes valid with the awarding of the rating.**

Following the block diagram:

Withdrawal after:	Recognized Proofs:		Hand over to:	
	Withdrawal form	Attestation	Judge	Meldestelle
Measure commission	X	X		X
TSB	X	X		X
Show stance	X	X	X	
Call	X	X	X
