

## **Important information regarding the Animal Health Law and the Protection of Animals Requirements of the Veterinary Office Nürnberg for the Bundessiegerzuchtschau 2022**

Following please find the Veterinary Office requirements which have to be followed from each participant in the Bundessiegerzuchtschau 2022. We urgently ask you to read up on all available requirements.

### **General**

Only dogs registered as participants are admitted for the event. Other dogs (so-called visitor dogs) are only permitted according to prior registration.

All participants of the event (owner, holder, handler, caller) as well as the visitors are bound to during the event take care of their dogs according to their variety and needs, to adequately feed and look after them and to place them species-appropriate. The host will check this frequently during the event.

Violations against the following requirements will be punished appropriately. This can cause the exclusion of the event for you and your animals. Therefore, we would like to ask you to act according to animal protection at any time.

### **Legal conditions for animal health:**

1. Only dogs free of signs of a communicable disease may be permitted.
2. Only dogs with a verifiable proof of an active vaccination according to the guideline for vaccination of small animals of the "Ständigen Impfkommision Veterinärmedizin"

<https://m.tieraerzteverband.de/bpt/berufspolitik/leitlinien/>

may be brought to the event (valid also for dogs of visitors). Proof can be given by presentation of an EU pet passport or an equivalent official certification. Furthermore, all dogs must verifiably be active vaccinated against rabies. An active immunization is, at the time of the event, been given by

**Primary vaccination** for puppies at the age of at least 12 weeks at least 21 days after completion of the primary immunization and not older than the period which the manufacturer of the vaccine states for a booster vaccination or a

**Booster vaccination** within the period which the manufacturer of the vaccine states for the booster vaccination.

3. Dogs from abroad have to meet the particular requirements for entry in addition:  
Dogs from the foreign countries of Europe have to meet the same criteria as dogs from Germany (exact information can be found in Art . 6 ff der Verordnung (EU) Nr. 576/2013).  
Dog from all other foreign countries must also be marked and for them a vaccination booklet/a certificate of health verifying an active vaccination against rabies has to be carried. Dogs from not listed third party countries in addition must have a sufficient high rabies titer which has been diagnosed in an EU licensed laboratory ([https://ec.europa.eu/food/animals/movement-pets/approved-rabies-serology-laboratories\\_en](https://ec.europa.eu/food/animals/movement-pets/approved-rabies-serology-laboratories_en)) and have to observe the waiting time of three months according to the titer diagnosis (detailed information can be found in Art . 10 ff of Verordnung (EU) Nr. 576/2013).
4. Exhibitors and persons assigned to care for the dogs must immediately report the appearance of illness or the suspicion of illness which suggests an infection with pathogens as well as every case of death to the event management. The event management immediately has to notify the Veterinary Office. Each dead animal has to be pathologic-anatomic examined.
5. Dogs from a city or an administrative district which is restricted because of rabies can only be permitted when an official proof is submitted showing that the point of origin of the dogs is not in the off-limits area.
6. Not entered dogs can only be taken to the event location with the previous permission of the Official veterinary of the city of Nürnberg.
7. The exhibitors and visitors are obligated to allow the Official veterinary on demand the inspection of the documents.

8. If dogs need an official veterinary health certificate to travel back in their home country the certificates must be completed with the required data and e-mailed back to the host until 14 days before the start of the event latest. The host will make a date with the Veterinary Office and then inform the exhibitor and visitor.

**Please carry the pet passport with you constantly because it can be checked at any time.**

### **Legal Animal Protection requirements:**

1. Keeping in pet cargo crates (in the trailer or in the car) is not covered by the Tierschutzhundeverordnung (animal welfare regulations). Keeping in the car or the trailer is possible solely on the parking places of the venue and when the following criteria a to f is met. Keeping dogs in the trailer or in the car outside of the venue is prohibited and a violation against the animal welfare decree for dogs. For dogs placed outside the venue according to the rules (e.g., at the residence or in the hotel) proof must be provided before the event.
  - a.
